

The figure shows a 14x14 grid with the following color distribution:

- Blue Region:** Includes the top-left corner (rows 1-4, columns 1-9) and a small square at the bottom-right (row 13, column 14).
- Orange Region:** Includes the bottom-right corner (rows 5-14, columns 10-14) and a central area (rows 5-14, columns 6-9).
- White Region:** Includes the top-right corner (rows 1-4, columns 10-14) and a central area (rows 5-14, columns 1-5).
