

The grid is 14 columns wide and 14 rows high. The columns are numbered 1 to 14 at the bottom. The rows are numbered 1 to 14 on the left. The grid is divided into three main regions: a blue region on the left (columns 1-5), an orange region on the right (columns 8-14), and a white region in the center (columns 6-7). The blue region has a small white square at (5, 5). The orange region has a small white square at (8, 8).
