

A 14x14 grid representing a 2D plane. The x-axis is labeled 1 to 14, and the y-axis is labeled 1 to 14. The grid is divided into blue and orange regions. The blue region is on the left, and the orange region is on the right. The boundary is jagged. The blue region includes cells (1,1) through (7,14) and (1,11) through (4,14). The orange region includes cells (8,1) through (14,14) and (5,1) through (7,14). There are some white cells in the blue region, specifically (2,2), (3,2), (6,6), and (6,13).
